About Us

Pasolite is one of the oldest Lighting Solution Provider Operating from Bengaluru, to build a brand on the back of its in house production. However, what's different is that we use the international production facilities as the back-end of our operations, and focus on adding value through design and packaging.

Pasolite is the brand name under which Pasolite Electricals Pvt. Ltd., Markets its products. Unfettered by manufacturing, the company has build of formidable range of LED products, for practically all types of applications.

From Retail and Commercial in indoor to Facade and Landscape lighting in Outdoor, we offer a vast array of adoptive luminaries designed to reveal the soul of any architecture space.

A Disciplined Process

The company's modus operandi reflects the growing instance of outsourcing across all lighting categories, irrespective of the country from where products are originating.

The differentiator, therefore, is the manner in which a company chooses to builds its brand, the commitment that it makes with respect to quality, and the confidence levels that it is able to create amidst the trade.

Our Vision

At Present, we cater to the lighting requirement for various projects throughout INDIA, with sales and distribution via independent lighting channel patterns throughout country. our aim is to build up relation with renowned consultants and specifiers. our range allows us offer our clients extensive and quality products.

At Pasolite, we help architects and designers capture creative inspiration. our design innovation opens up limitless possibilities...

the forms shares, styles, finishes and customs solutions that bring ideas to life. High qualities, great flexibility, extremely prompt deliveries- it is an important recognition of our quality process, which allows our customers to be absolutely confident in the faithful fulfillment of our engagements and in the continuity of our business relation.

Our Mission

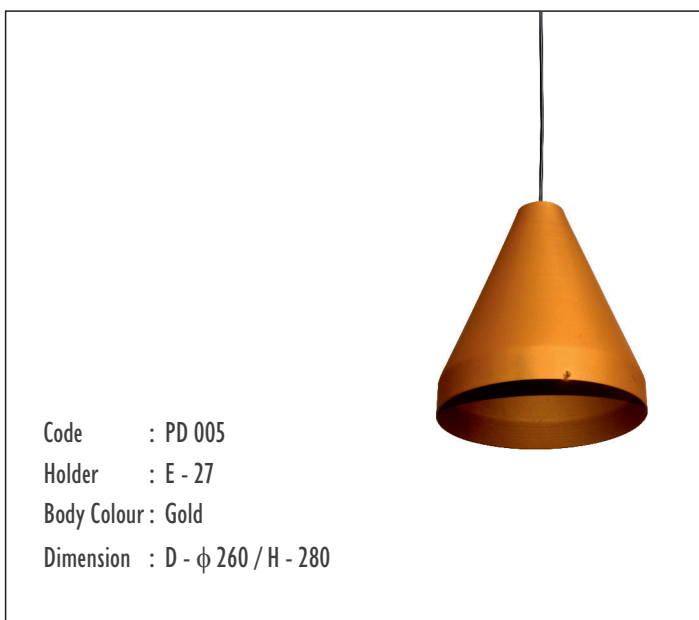

To be No 1 choice for all lighting need by not only providing light fixtures, but also providing the right solution to any lighting concept. To be able to transform architects and designers lighting dreams into reality by providing quality, state of the art and innovative designs of lighting. we strive to attain a position of long-term, sustainable pre-eminence in the lighting field "lighting up" both our customers and ourselves.

As we are constantly innovating and expanding our product range, this catalogue can never be completely upto date. if you require specific information about new products, changes in our product programme, please contact our channel partners.
