Avana Electrosystems Private Limited

<https://www.indiamart.com/avanaelectrosystems/>

With a modest beginning to offer control, protection and automation solutions in the field of power system protection, "**Avana Electrosystems Private Limited**", manufacture **Electromechanical Relay, Numerical Protection Relay.**

About Us

With a modest beginning to offer control, protection and automation solutions in the field of power system protection, "**Avana Electrosystems Private Limited**", has contributed immensely to the field of power system. The dedicated team of the company has well experienced engineers and technicians who have expertise in the field of design, manufacture of **Electromechanical Relay, Numerical Protection Relay and Control and Relay or Protection Panel**. The products engineered and supplied by the company are well appreciated and accepted by highly respected experts in the power system field.

Capitalizing on the great knowledge of our director, "**Mr. A Panish** ", we have been able to attain incredible position in this competitive market. His motivating leadership and sharp business planning have helped us in making huge client base in India.

NUMERICAL PROTECTION RELAY

Microprocessor Based Series Trip Relay

Numerical Frequency Relay

Numerical Dual Slope Transformer Differential Relay

Numerical OCEF Relay

CONTROL AND RELAY OR PROTECTION PANEL

132/220 kV Line or
Transformer Control and
Relay Panel

220 Line or Transformer
Control and Relay Panel with
Main1 and Main2

Control and Relay Panel with
BCU

Control and Relay Panel for
11/33 kV

ELECTROMECHANICAL RELAY

Electro Mechanical Electrical
Reset Trip Relay

Electromechanical Master Trip
Relay Hand Reset Type

Electromechanical Master Trip
Relay Self Reset Type

Electromechanical Auxiliary
Relay

OTHER PRODUCTS:

Numerical OCEF Relay in DIP Switch Version

Busbar Protection Panel

LT Distribution Board Panel

Main LT panel with APFC

OTHER PRODUCTS:

SCADA Panel

Substation Automation System

Realy Test Block Cover

Control Desk Panel

Factsheet

Year of Establishment : 2010

Nature of Business : Exporter and Manufacturer

Total Number of Employees : 26 to 50 People
